

# Schools Engagement Workshop

## Level 2

Full day session

# Schools Engagement Workshop

In-house training for up to 15 attendees

During this one-day course, you will learn:

- Tips to extend your reach without more resources
- Curriculum learning throughout KS3 and KS4
- Developing strategic plans for engagement
- Recruiting students to your outreach board
- Conveying messages with photo and video
- Developing offers with partner organisations
- Tailoring your offer to primary schools
- Capturing feedback for improvement
- Academic research and reports
- Sharing your successes to inspire the industry
- Publishing a book for schools
- Managing your pipeline of interested students

This workshop is perfect if you're already experienced at schools engagement and now you want to build on your effectiveness to create long-term impact and legacy
